Simon Milward. 1965-2005

What Is This Run About?

Following the untimely death of motorcycle lobbyist and biking humanitarian Simon Milward in March 2005, the riders are celebrating his achievements by organising a memorial run to Africa to raise awareness of his charitable work, highlight the work of Riders for Health and a new charitable organisation Motorcycle Outreach (see below). The riders will visit the Riders for Health centre in The Gambia.

The Bikes, The Riders, The Sponsors

The Riders & The Bikes

The riders are Craig Carey-Clinch and David French. Both are experienced long distance motorcyclists. Craig directs political and PR activity at the Motor Cycle Industry Association and Dave is President of the riders group MAG Ireland. Both are involved with the development of Motorcycle Outreach.

Craig and Dave will be riding two bikes which have been supplied by **BMW Motorrad** -- The exceptional **F650 GS Dakar** .

Both bikes will be kitted out by **Metal Mule** with top quality adventure motorcycling luggage .

The Sponsors

MOTORCYCLE OUTREACH

A new organisation (awaiting charity status) formed to:

1. Advocate and support further development of zero breakdown healthcare delivery by motorcycle in developing countries, working with Riders for Health and:
2. Provide funding & Support for an Indonesian Motorcycle Outreach project which was founded by Simon Milward on the Island of Flores. This project currently serves over 55,000 people in remote areas of Flores and its manager is a graduate of the Riders for Health International Academy of Vehicle Management. (see www.riders.org)
